OVEN GREEN TAB 55g

Dual washing action
Rapid dissolution

Powder tablets for professional combi ovens with automatic cleaning systems: remove cooking residues from the combi oven, powerful in the cavity washing cycle yet gentle on contact surfaces. **Free from phosphates, phosphorus, and EDTA**, with a high concentration of active ingredients for reduced dosage. The 30 g tablets guarantee excellent results even in intermediate and ultra-fast cycles of all combi ovens.

OVEN POWDER DESCALER 55g

Ultra-fast dissolution in the dispenser drawer with room-temperature water without agitation

Citric acid-based descaling and rinse-aid powder specifically designed for self-cleaning ovens. **It acts rapidly against limescale buildup during the rinse cycle**, ensuring immediate solubility and leaving surfaces shiny and streak-free.

HIGH CONCENTRATION

Higher active ingredient content, less product per cycle: reduced consumption.

ECO FRIENDLY

Free from phosphates, phosphorus, and EDTA: a more sustainable formulation.

FAST CYCLES

Effective even in intermediate and ultra-fast combi oven cycles.

HACCP READY

HACCP compliant.
