# LIQUID

## Degreaser detergent for self-cleaning ovens

### FLICK OVEN

Concentrated alkaline degreaser designed for use on self-cleaning ovens. Removes stubborn stains including burnt-on grease in one cycle. Can be used with all self-cleaning and convection ovens. **Avoid contact with aluminum parts.**

Self-cleaning ovens

Concentrated

- ✓ Strong degreaser
- ✓ removes burnt fats
- ✓ Can be used hot or cold

Plastic jerry can\*  
Bottle 1 kg

pH 14

## Degreaser & rinse aid for self-cleaning ovens - 2in1

### OVEN LIQUID 2ACT

Detergent with brightening action designed for use on self-cleaning ovens. Removes the most stubborn dirt including burnt-on fat in just one wash cycle. It can be used with all self-cleaning and convection ovens. Its brightening action leaves the oven chamber shiny without streaks. **Avoid contact with aluminum.**

Self-cleaning ovens

Concentrated 2 actions in 1

- ✓ Degreasing and brightening action
- ✓ Removes the burned fats
- ✓ Leaves the oven chamber shiny

Plastic jerry can\*

pH 12,5

## Ecological organic descaler

### REMO KAL ECOL

Strong concentrated descaler, designed for self-cleaning ovens. It contains corrosion inhibitors and a color change indicator which makes its action easy to monitor and control over time.

Ovens

Concentrated Nature Friendly

- ✓ Strong on limestone
- ✓ Citric base
- ✓ Effective on hard waters
- ✓ Contains corrosion inhibitors

Plastic jerry can\*  
Bottle 1 kg

pH 2,1

## Rinse aid for self-cleaning ovens

### RINSE OVEN

Designed as an additive in the final rinse cycle of self-cleaning ovens. Formulated as anti-foaming product. By reducing the surface tension of the rinse water, it facilitates immediate drying of the oven surface. It can also be used with very hard water.

Self-cleaning ovens

Concentrated

- ✓ Non-foaming
- ✓ Fast drying
- ✓ For very hard waters

Plastic jerry can\*

pH 2,4

# TABS

## Cleaning tabs for ovens

### OVEN SENSITIVE TAB

Detergent powder tabs with energetic degreasing and decarbonizing action, for cleaning self-cleaning ovens, integrating a sanitizing function that reduces residual bad odours.

Self-cleaning ovens
