## PAVILUX

### SANITIZING DETERGENT

PAVILUX is a sanitizing quaternary ammonium salt-based detergent suitable at the same time to clean, deodorate and sanitize communities, working and plant areas. PAVILUX is a neutral liquid, rose-colored, pleasantly and intensely scented. It can be used with mops, towels, wipes or by spraying. It is a low-foam product making easier all rinsing operations. It is particularly effective to eliminate trash deposit odours.

#### DIRECTIONS

<i>AS SANITIZER</i>	Use diluted in water with a 1:2 or a 1:3 ratio
<i>AS SANITIZING DETERGENT FOR RESTROOMS, TOILETS, SHOWERS, FLOORS, ETC.</i>	Use diluted with cold or lukewarm water from <b>0,5 to 2%</b>

#### PRECAUTIONS

Refer to the material safety data sheet
